Petition in Support of New Childcare Spaces

To the Honourable Legislative Assembly of Saskatchewan in legislature assembled:

The petition of the undersigned citizens of the Province of Saskatchewan humbly showeth:

That the NDP created 2600 new child care spaces between 2003 and November 2007, and;

That a further expansion of 2000 new child care spaces was promised by the NDP as part of the 2007 election campaign, and;

That the Saskatchewan Party has committed only to maintaining the current spaces, and;

That it is well-known that inadequate access to quality and affordable child care is a major road block for parents who want to access the labour market, and;

That Premier Wall has called the labour shortage a "crisis," and;

That today many Saskatchewan families struggle or are unable to find child care for their children.

Wherefore your petitioners humbly pray that your Honorable Legislative Assembly may be pleased to cause the government to add at least 2000 new child care spaces in Saskatchewan by 2011.

And, as in duty bound, your petitioners will ever pray.
