Petition in Support of Indexing Minimum Wage

To the Honourable Legislative Assembly of Saskatchewan in legislature assembled:

The petition of the undersigned citizens of the Province of Saskatchewan humbly showeth:

That the cost of living in Saskatchewan has increased dramatically in the last few years, and shows no sign of slowing down;

That minimum wage increases are often sporadic and do not always reflect the rising cost of living faced by minimum wage earners;

That increases to the minimum wage help low-income individuals and families improve their standard of living and build a better future, and;

That indexing the minimum wage would ensure that minimum wage earners would be able to maintain a standard of living as the cost of living increases.

Wherefore your petitioners humbly pray that your Honorable Legislative Assembly may be pleased to cause the government to commit to indexing Saskatchewan minimum wage to ensure that the standard of living of minimum wage earners is maintained in the face of cost of living increases;

And, as in duty bound, your petitioners will ever pray.
