Petition in Support of Expanding Options for Student Housing

To the Honourable Legislative Assembly of Saskatchewan in legislature assembled:

The petition of the undersigned citizens of the Province of Saskatchewan humbly showeth:

That living costs including housing have a strong impact on access to post-secondary education;

That Saskatchewan's growing economy and housing market have translated into challenges for many renters and prospective homeowners, and;

That housing costs are increasingly a barrier to students in Saskatchewan, particularly those living away from home, and;

That more affordable housing options would significantly help Saskatchewan students cope with the cost of their education.

Wherefore your petitioners humbly pray that your Honorable Legislative Assembly may be pleased to cause the government to commit to aggressively working with partners to expand on-campus and off-campus housing options for Saskatchewan's students;

And, as in duty bound, your petitioners will ever pray.
