

Petition to the Legislative Assembly of Saskatchewan to Fix Highway 9

We, the undersigned residents of the Province of Saskatchewan, wish to bring to your attention the following:

- That Saskatchewan's highways are fundamental in connecting people, business and services;
- That Highway 9, located between Preeceville and Hudson Bay, is a vital highway in the region for the local population and industry;
- That Highway 9 is in inadequate condition with reports of longstanding ruts and overall deterioration;
- That the state of Highway 9 poses a significant safety concern for travellers of the highway; and,
- That, Highway 9 was rated #3 on the CAA worst Roads list for 2021.

We, in the prayer that reads as follows, respectfully request that the Legislative Assembly of Saskatchewan:

Call on the Government of Saskatchewan to immediately address the inadequate condition of Highway 9 by working with and listening to the concerns of municipalities, residents, and industry:
